

Join us and donate
your kilometers to our
TOUR AROUND THE WORLD!

Join us and help us raise "kilometer money" to benefit children with cancer.

It's really easy.

Everybody can participate, no matter where they are.

Just print off your bib number from
www.kinder-krebs-forschung.de
and you're ready to go!

With kind support from

Join us and donate
your kilometers to

TOUR AROUND THE WORLD!

You can complete your chosen route by running, biking, swimming, etc. – as long as you achieve it through your own physical effort.

Then, tell us how many kilometers you completed, upload a photo of yourself with your bib number (if you like) and donate your "kilometer money" of at least 1 Euro/km.

We will add the number of kilometers you posted to the overall count and hope that, by joining forces, we can complete our tour around the world.

Participants from other countries all over the world, corporate groups, clubs, and anyone who wants to make something happen for a good cause - all are cordially invited. And maybe you can even find a sponsor to fund you as an individual or as a team.
